

Collaboration: The Evolving Story between Education and Children's Mental Health in the Hinterland

- ◆ The Big Picture: An overview of the geographical span, population, and service agencies in the Trillium Lakelands District School Board area
- ◆ Collaboration:
 - Haliburton Area– Working Together For Kids Mental Health Project, Screening and Assessment Tools, Referral Pathways, Anti-stigma Work, Partnerships with CHIMO
 - City of Kawartha Lakes– SNAP Program as a Core Strategy, In School Counseling,
 - Muskoka Area–Elementary & Secondary Partnering with FYCSM, Triple P Parenting Approach, Mental Health for Families, Communication Protocols
- ◆ Challenges: Age of consent (Ministry of Education vs Ministry of Child and Youth)
Addressing the gaps vs duplication of services
- ◆ Reflections: Change is a journey not a blueprint and requires constant revision
Ready—Fire—Aim
- ◆ Collective Next Steps::
 - Agency supports in System Level Coaching Classes; Memorandum of Understanding and working norms; joint staff training sessions; common programming throughout TLDSB; and establishing Working Together Pilot Project actions throughout board (Multi-Year Plan).
